DIGITAL ILLUSTRATION

March workshop with Ranger

Explore your imagination in the world of graphic design! During two sessions over spring break Ranger and Ram will show you the best tools in Adobe Illustrator and you'll be on your way creating an original digital illustration. As always, all equipment and software will be provided, along with food! The two sessions will build on each other, so please attend both if you can! Below is one of Ranger's professional digital illustrations!

RSVP and permission slip are required.

RSVP today to Ram (Randall Malcolm) at:

Randall.Malcolm@CalderaArts.org or 503-360-7885
